The ingredients were first mixed, then pressed with a stamp following a coarse grinding process.

MAISITA 21.001 acts as aiding foam stabilisation & also as vehicle.

Zymo Lift® MD is an enzymatic complex that prevents wrinkles with enzymatic peeling to increase cell turnover and provide optimized skin relief.

Modukine™ contains polypeptides from milk for the care of all types of dry, sensitive and inflamed skin.

Protelan AGL 95 PV & Amisoft MS-11 are Cleansing surfactants.

Mannitol is a Humectant whilst Talc is a vehicle.
