

## Shampoo Paste with CORN PO4 PH"B"

"Formulated and developed by AZELIS (Formulation reference: 2002008-123)"

It is a new and very comfortable form to use. Based on natural, sustainable and mild raw materials shampoo paste is waterless what makes it easy to transport also in hand-luggage. P How to use it: soak well your hair. Take a small amount of product and rub between your wet hands to dissolve it and make a small foam. Wash your hair as usually.
