

# MICROBIOME SHOWER PLAY DOUGH

## with MAISITA 9060 and REISITA NATURAL

### "Formulated and developed by Azelis (ref. 2309103-3)"

Microbiome Shower Play Dough makes bath time foaming fun! This soft clay like bath putty has a simple formulation created with two different types of starch and a mild but effective cleansing, wetting and foaming agent. Use the formulation to gently cleanse the skin or just have fun in the bath modelling your own special bath.

MAISITA 9060 and REISITA NATURAL are added as filler and to improve foam building.
