

# GENTLE CLEANSING POWDER

## with REISITA NATURAL, MAISITA 9040 and PuraBeet

### "Formulated and developed by SLI Chemicals (SLI-051)"

The Gentle Cleansing Powder ensures thorough but particularly gentle cleansing of the skin. It effortlessly removes make-up and excess sebum without drying out the skin – for a balanced, clear and matt skin appearance. REISITA NATURAL and MAISITA 9040 are added as filler and for smooth scrub and skin sensory enhancement. PuraBeet effects moisturization of skin.
