Phase C ELDERBERRY RED POWDER	Sambucus nigra fruit extract	4,90	-

DESCRIPTION

With its vintage 1950s charm, the powder perfume returns, offering elegance and lightness in a modern and sustainable format. It is formulated with micronized mineral powders and is free from alcohol and talc. Its impalpable texture allows application on the skin without the risk of stains or irritation. It is applied with a soft powder puff, leaving a delicate veil that lasts for a long time.

PROCEDURE

1. Mix ingredients of phase A until homogenous.
2. Add Phase B and homogenize.
3. Add Phase C, mix it and fill it up.

PHYSICAL & CHEMICAL CHARACTERISTICS

Natural Index: In = 0,94 , COSMOS approved

Talc free, Alcohol free
