DESCRIPTION

Introducing the perfect finishing touch for oily, combination, and normal skin: Talc-free Setting Powder. This universal compact powder sets makeup with light, buildable coverage and a natural finish. Crafted with natural matte Mica and Kaolin sourced in Spain, it instantly mattifies by absorbing excess oil and controlling shine for a long-lasting effect. The universal translucent shade is wearable for all skin tones.

PROCEDURE

1. Mix ingredients of phase A until homogenous.
2. Add Phase B, homogenize and fill it up.
