

ANHYDROUS FACE MASK

with AGENAJEL 20.306

"Formulated and developed by Azelis (ref. 2402078.22)"

This anhydrous mask is in a powder format and can be activated with the addition of either water or hydrogel or hydrating lotion formulations to create a mask suitable for a range of skin types. AGENAJEL 20.306, a natural rheology modifier and thickener, provides a smooth and creamy texture.

Ingredients	INCI-Name	% w/w	Supplier
