

## Mattifying Plum Lipstick "C-2007-02" with AGENAFLO OS 9051

"developed & formulated exclusively by ELEMENTIS"

This mattifying lipstick is like plum velvet on the lips. It feels soft and is very comfortable to wear with a non-drying matte finish. It is intense in color for a vibrant scene.

Ingredients	INCI-Name	%w/w	Supplier

## PROCEDURE

1. Premix phase A and heat up to 80 °C until fully melted.
2. Add phase B at 80 °C with a Silverson homogeniser and mix for 10 minutes.
3. Continue mixing at medium speed and add phase C until a homogeneous color is achieved.
4. Add phase D partially with low mixing speed to avoid dust and until fully incorporated. Keep temperature at 80 °C.
5. Fill into molds with pipetting.
