## Barley mattifying powder. Transparent with BARLEY NATURAL

"Formulated and developed by AZELIS (Formulation reference: 2002026-33)"

Natural face powder gives a transparent matt finish. Silica beads absorbs excess sebum and keeps the perfect long-lasting look. Ideal product under the protecting mask to keep the skin dry and protect it against the maskne effect (acne caused by wearing the protecting mask)

### Features and Benefits

- o mats the skin, fixes make-up making it long-lasting
- o helps to keep the skin sooth and absorbs the sebum

### Application Uses

Use this transparent powder with a brush after your foundation or daily skin cream and enjoy your perfect matte and healthy skin.

### Inside the formulation

**BARLEY NATURAL** Multifunctional ingredient that sensorially gives a creamy, silky, velvety feel. It offers a light scattering effect to that of young skin which results in a nude look that corrects freckles and dark spots. It instantly blurs appearance of wrinkles by softening edges though light diffusion. Reduces tackiness and provides a soft feel while replacing synthetic ingredients like Nylon-12 or PMMA.
